The South Dakota Board of Nursing ("Board") met in Sioux Falls, South Dakota, for its regular meeting on September 9, 2008. At that meeting the Board was advised of the Informal Meeting which was held between you and Board staff on July 30, 2008, regarding allegation of drug diversion, poor documentation, and nursing practice issues.

Based on the information provided to the Board, the Board has determined that your conduct is in violation of SDCL § 36-9-49(5), in that you acted in manner inconsistent with the health and safety of those entrusted to your care.

Therefore, the Board, according to the disciplinary procedures outlined in ARSD 20:48:08, issues this Letter of Reprimand. In addition, the Board will require you to complete learning modules on (1) Documentation: A Critical Aspect of Client Care; and (2) Medication Errors: Detection and Prevention. You are responsible to purchase and

complete these modules and return them to the Board office no later than November 16, 2008, with successful Certificates of Completion. You can register for these modules on the following website: www.learningext.com.

This final action is reportable discipline and will be published in the Board's newsletter, posted on its website, and reported into the HIPDB and NPDB data banks as required by law. As this is a reportable discipline, you are required to provide an affirmative response to inquiries of disciplinary action on further renewals and other nursing related inquiries.

Dated this 15th day of September, 2008.
